The Deciding Factor

Your selection of a bank is naturally influenced by its reputation for safety and conservatism, by the standing which it enjoys in the community.

But, when these qualifications are met, the courteous and friendly helpfulness of its service becomes the deciding factor.

In The Farmers National Bank of Appomattox you find recognized safety and conservatism in policy and practice—and you also find that atmosphere of cordial welcome, and that satisfying personal attention which make your contact with the bank most truly satisfying.

The Appomattox Fair Association is making plans for a very large exhibit at the coming Fair. Dates are October 18 to 20. The Secy has arranged for an entirely new set of performances on the midway having contracted this week with the Royal Exposition Shows of Kentucky, a new merry go-round, ferris wheel and six or eight high class shows He authorizes no gambling on the grounds The admission is 75 cents and this will admit to the grounds and also the racing. A very large attendance is expected. 9 27 3

The loose leaf tobacco market opened in Lynchburg yesterday for dark and bright The market will not open here it is said until the 20th of this month. Mr. Chambers of the Co-ops was here this week perfecting arrangements with the warehouses and says Appomattox has ample facilities for handling 8,000,000 pounds of the weed. No pains will be spared for making the farmer at home here and since his tobacco will be graded and priced here just as it is all over the State, the prices and advancements will be the same on all markets. Appomattox will see to it that all financial and other considerations are at the command of those who bring their crops to this market

Reduced Rates to Fair

Fair Directors have reduced admission to the Fair. Season ticket $1 25, single admission 50 cents, children 7 to 12 35 cents. Grandstand 25 cents. Many new attractions coming. Fine racing every day, house full of fine exhibits and educational. 10 schools have agreed to come and give a parade in town under banners Radio concerts every night expected. Air Plane Aviator, T B. RED CROSS WINNING IN FIGHT FOR HEALTH

Better, Stronger Citizenry Now Emerging Out of Work in United States.

The American Red Cross as an evangelist of better health has looked its problem square in the face. How it accepted the task revealed to it in the nation's physical condition as brought out during the World War, and conscientiously applied its activities to correction forms a vivid chapter in the forthcoming annual report. Historically and practically, nursing is a basic work for the Red Cross. In its public health nursing service, in instruction in home hygiene and care of the sick, nutrition classes, first aid and life saving courses and health centers, the American Red Cross is applying effectually the lessons learned during the war and making for a healthier, stronger and better nourished citizenry.

The task of the Red Cross Public Health nurse in the 1,240 nursing services now operating throughout the country instructing their communities in health essentials and disease prevention is demonstrating the possibilities of human betterment and the great benefits of enlightenment.

During the last year 313 new public health nursing services were established by Red Cross Chapters, and several hundred services so convincingly proved their effectiveness that they were taken over by public authorities. In order to promote this work $30,000 was allotted to provide women to prepare themselves for public nursing. The home visits made by the 1,240 nurses aggregated nearly 1,500,000, visits to schools numbered 140,000, and in six months 1,250,000 school children were inspected by these nurses and where defects were found advised examination by physicians. In rural communities this service has made a very marked advance and has won thousands of converts to approved methods of disease prevention.

In home hygiene and care of the sick instruction, which fits the student in methods of proper care where illness is not so serious as to require professional service, the Red Cross conducted 3,884 classes during the last year, enrolled 2,356 instructors, 93,448 students and issued 42,656 certificates.

On June 30, 1922, nutrition service embraced 1,199 classes, with a total of 27,523 children and 2,589 enrolled dietitians. Seventy-eight food selection classes graduated 733 who received Red Cross certificates. In general health activities Red Cross Chapters maintained 377 health centers, serving as many communities, provided 38,751 health lectures for large audiences everywhere, while clinics numbered over 10,000.

Red Cross Gains Strength in All Foreign Fields

In insular possessions of the United States and in foreign lands the American Red Cross scored heavy gains during the last year, passing the previous membership high mark of 1918 by 4,261 and advancing the figure to 156,408. The Philippines take the lead, gaining nearly 100 per cent, now having 115,917 members. In Europe the 1921 Roll Call enrolled 11,125, with the Constantinople Chapter reporting 665, a gain of 33 members. China was 1,782 members, a gain of 596; the little Virgin Islands have 1,000, while the Dominican Republic with 2,927 advanced from its previous high mark by 1,423 new members. Haiti, organized in 1920, now has nearly 1,000 enrolled. Mexico reports 354, a gain of 327 in one year. The American Red Cross has spread its membership over some 70 foreign lands and its Junior membership outside of the United States is close to 700,000.

Red Cross Water First Aid Makes Life-Saving Gain

More than 325 Chapters engaged in life saving or water first aid last year with the result that the American Red Cross Life Saving Corps has set a new high mark for enrollment and the number of qualified life savers developed. The influence of "learn to swim week" in many localities is reducing the water fatalities through instruction and the wider dissemination of resuscitation methods demonstrated by the Red Cross representatives. Excellent work has been done in teaching a large part of the American population how to take care of itself in the water. Growing appreciation for this Red Cross Life-Saving Service is shown by the compulsory instruction adopted in many cities for members of the police and fire departments in the prone pressure method of resuscitation.

Help to Help Others

You can't "give until it hurts"—for giving an American dollar to join the American Red Cross helps you to help others who are hurt and who need relief.

THE THRICE-A WEEK EDITION OF THE NEW YORK In 1921 and 1922

Practically a Daily at the Price of a Weekly. No other Newspaper in the world gives so much at so low a price.

The next few years will be marked by important and historical changes in the life of the United States deeply interesting to every citizen. The Thrice-a-Week World which is the greatest example of tabloid journalism in America will give you all the news of it. It will keep you as thoroughly informed as a daily at five or six times the price. Besides, the news from Europe for a long time to come will be of overwhelming interest, and we are deeply and vitally concerned in it. The Thrice-a-Week World will furnish you an accurate and comprehensive report of everything that happens.

The Thrice-a-Week World's regular subscription price is only $1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and Times-Virginian together for one year for $2.35. The regular subscription price of the two papers $3.50

Resolutions of Respect

Right Worshipful Brother E E. Gills born January 7th 1864, in Buckingham county, Va, died at his home at Appomattox Virginia, Sept. 2nd 1922

He was made a Mason in Hill City Lodge, Lynchburg, Va, 26 years ago and continued his membership there until his death, he was a Charter member of Monroe Lodge No. 301 A F. and A. M. when it was re organized in 1907 and was Senior Warden until Dec 27th, 1909 at which time he was elected its Worshipful Master and served in this capacity most ably and faithfully for two years, even though he was a traveling salesman which took him away from home and the Lodg, yet during that entire period he was present at every regular monthly meeting, sometimes traveling long distances to be on hand, under his leadership, example and enthusiasm the lodge grew in members and influence, in 1918 he was appointed Dist Deputy Grand Master of Masons for Dist No 26 and served in that capacity until 1921, this position he filled with great credit to himself and honor to the fraternity. In 1920 he helped to reorganize Prospect Lodge of Masons a lodge which his father was a member of for a number of years.

He was also a member of Royal Arch Chapter No 62 of Emporia, Va., and a member of Appomattox Commandery No. 6 Petersburg, Va.

His zeal and enthusiasm for Masonry and all it stands for never lessened even to the last, and the high regard with which he was held by the fraternity was splendidly attested by the large concourse of Masons who attended his funeral and tenderly laid him away. We extend to his bereaved family our most heartfelt sympathy and point them to the Great Artificer of the Universe for solace and comfort, such as no earthly power can bestow. We resolve that a copy of these resolutions be sent to his family, one spread on the minutes of the minutes of the Lodge and one printed in the county paper.

LADY GOT SO WEAK COULD SCARCELY STAND

After Suffering From Many Female Troubles This Lady Heard of Cardui and Took It, She Says, "Until I Was Well."

"SOME TIME AGO," says Mrs. Buena McFarland, of R. F. D. 2, Bostic, N. C., "I suffered a great deal with weakness common to women. I had bearing-down pains, my sides and back hurt, and my limbs drew. I would get so weak in my knees I could scarcely stand.

"I was very nervous, and could not rest. I didn't feel like eating. I grew thin, and did not have ambition for anything.

"I had been trying other remedies . . ., but did not get any better.

"Some one told us of Cardui, and what it was recommended for. I also took a Ladies Birthday Almanac and read of a case something like mine. I told my husband to get it and I would try it.

"I saw a great improvement after the first bottle (of Cardui), so I kept it up until I was well. Now I am the picture of health."

Thousands of other women have written, to tell of the beneficial results obtained by taking Cardui, and to recommend it to others.

Cardui has stood the test of extensive use, for more than forty years, in the treatment of troubles common to women. Try it.

Thorough Soil Preparation Is Easy the Fordson Way

BECAUSE the Fordson has plenty of power and is fast running, Fordson farms are known as the best tilled farms in the community. Good plowing can be followed promptly by good discing because the man who drives a Fordson is soon through with one job and ready for the other. This thorough tillage, of course, results in bigger crop yields.

Because of its scientific design and easy handling qualities, the RODERICK LEAN AUTOMATIC ENGINE DISC HARROW, specially designed for the Fordson, inspires its owners to pulverize thoroughly both before and after plowing.

THE RODERICK LEAN AUTOMATIC is as necessary to economical tractor farming as the special tractor plow. Operated from the tractor seat, it provides easy, thorough soil preparation with the Fordson. Strong for power requirements, flexible for short turning, and adjustable to meet all soil conditions. This is the proper disc for Fordson tractors—the one disc harrow preferred by Fordson owners,
